

## **RETURN OF GOODS**

Walkodile's® product guarantee relates to the quality, durability and fitness for purpose during the first 12 months after delivery. The product has been designed and produced with great care and we endeavour to make sure your order reaches you in perfect condition.

However, in the unlikely event of products or product components being returned due to defects in materials or manufacture, please contact us and we will arrange for these to be collected from you & replacements shipped to you. Collection & replacement shipping in the event of defective products or products components will be paid for by Red Island Ltd.

Goods deemed 'no longer required' due to ordering error, surplus to requirements etc. may be considered for return providing prior authorisation is obtained and goods are returned in a re-saleable condition in the original packaging within 14 days. Where authorisation is obtained, we will arrange for collection from you and a handling charge of 15% of the original order cost will be charged.

The company will not accept goods returned without prior authorisation or in a non-saleable condition - in such cases goods must be paid for in full by the customer.
